P.C. No. 586.

CERTIFIED COPY OF A MINUTE OF A MEETING OF THE COMMITTEE OF THE PRIVY COUNCIL, APPROVED BY HIS EXCELLENCY THE GOVERNOR-GENERAL, ON THE 18TH APRIL, 1925.

THE Committee of the Privy Council have had before them a report, dated 15th April, 1925, from the Minister of the Interior, stating that, notwithstanding the fact that the regulations governing the granting of licences and permits to cut timber on Dominion lands in the Prairie Provinces, and in the Railway Belt in the Province of British Columbia, provide that all timber cut must be manufactured within the Dominion of Canada, the Campbell River Mills, Limited, which were operating Timber Berth No. 55 located on the International Boundary in the Railway Belt, were granted, by Order in Council of the 8th April, 1924 (P.C. 554), an interim permit for six months, authorizing them to sell in the United States the cedar cut on the southern portion of the berth, subject to dues at $2 per thousand feet B.M. on logs grading No. 1, and $1.50 per thousand feet B.M. on logs grading No. 2, and $1 per thousand feet B.M. logs grading No. 3. It was represented that, owing to the physical features of the district, in order that the timber might be manufactured within the Dominion of Canada it would be necessary to transport it through the State of Washington to Bellingham, on the Coast, where it would be dumped into the water and towed to either New Westminster or Vancouver, where shingle-mills are located, a distance of thirty-five and forty miles, respectively. It was further represented that the Company had lost a considerable portion of their cedar logs in conveying them to New Westminster and Vancouver, rendering their operations unprofitable.

The Minister observes that the interim permit permitting the exportation of cedar having expired, the Company now represent that they still have no Canadian outlet for this cedar timber except by conveying it to Vancouver or New Westminster, which is very difficult; and that last October twenty-eight sections of logs were sold for delivery at Vancouver, which contract they were not able to fill until February of this year and then with a loss of a portion of the boom, making the entire transaction a losing one. In view of these diffi-

culties, the Company ask to be granted permission to export to the United States cedar cut on the southern portion of this berth for another period of six months.

The Minister recommends that the permission asked for be granted, on condition that the rates of dues above referred to be paid on any timber exported, which rates on Grades Nos. 1 and 2 are in excess of those charged under the regulations.

The Committee concur in the foregoing recommendation and submit the same for approval.

Clerk of the Privy Council.

CERTIFIED COPY OF A MINUTE OF A MEETING OF THE COMMITTEE OF THE PRIVY COUNCIL, APPROVED BY HIS EXCELLENCY THE GOVERNOR-GENERAL, ON THE 30TH APRIL, 1925.

THE Committee of the Privy Council have had before them a report, dated 22nd April, 1925, from the Minister of the Interior, stating that an application has been made by Mr. George Dillabough, of Sicamous, to lease a parcel of foreshore containing 0.47 acre fronting property which he owns in Section 36, Township 21, Range 8, west of the sixth meridian, as shown coloured pink on the plan attached hereto.

The property is required for the erection of a shingle and saw mill and is reported to be the most suitable place in the neighbourhood for this purpose.

The site has been inspected and favourably reported upon by an engineer of the Deparment of Public Works and by an agent of the Department of the Interior, and the application has the approval of the Department of Marine and Fisheries.

The Minister therefore recommends that he be authorized to issue a lease to Mr. Dillabough for the required foreshore for a term of ten years at an annual rental of five dollars ($5), renewable for a further period of ten years upon such terms and conditions as may be prescribed by Your Excellency in Council, and that the lease be subject to cancellation upon six months' notice and to be on such other terms and conditions as the Department of Justice may consider advisable.

The Committee concur in the foregoing recommendation and submit the same for approval.

Clerk of the Privy Council.
